Introduction

Without our vendors and speakers, Elevator U could not hold a conference. Each year we are more amazed by what we learn and by the quality of the presentations. We are thankful for the dedication of our vendor friends who support Elevator U by sponsoring, exhibiting and attending our conferences. On behalf of this volunteer based association, thank you for your continued support.

Speakers/Presenters Guide

Presentation Equipment

A projector, screen and laptop will be available for your use if needed. A podium and microphone will be provided; however, due to the poor quality of the wireless microphones available, they will not be used.

Hand Outs

If your presentation includes hand outs please ship/bring enough for 125 people. You can send them directly to the hotel.

Video Recording

A huge success last year, each presentation was video recorded and posted online through our members only section on the EU Website. By offering to present you are giving EU permission to record and post your presentation online. If you have concerns or questions about this please let us know.
